1. You are being hired as a **Java Developer Intern** and Mr. Tausief Shaikh will be your reporting manager and mentor during the internship. As a Java Developer Intern, you would be responsible for developing our applications and handling support tasks and other ad-hoc tasks on a need basis.
2. Your date of joining is **Jan 8, 2024**, and the duration of the internship will be **4 Months**. During this time you are expected to devote your time and efforts to HulkHire Tech work. You are also required to let your mentor know about forthcoming events/academic work (if any) in advance so that your work can be planned accordingly.
3. You will be working remotely for the duration of the internship. There will be catch-ups scheduled with your mentor to discuss work progress at regular intervals.
4. Your internship will be unpaid. You would be expected to arrange for any phone calls, internet, etc. costs at your end entirely.
5. All the work that you will produce at or in relation to HulkHire Tech will be the intellectual property of HulkHire Tech. You are NOT allowed to sell, share, or distribute it to a third party under any circumstances. Similarly, you are expected to refrain from talking about project & client work in public domains (both online such as blogging, and social networking sites, and offline among your friends, colleagues, etc.) without prior discussion and approval with your mentor.
6. We take data privacy and security very seriously. Any confidential information you may come across (students, customers, clients, and company data and contact details) during your internship must be handled with the utmost discretion.
7. Under normal circumstances, either the company or you may terminate this

association by providing a notice of 15 days without assigning any reason. However, the company may terminate this agreement forthwith under situations of in-disciplinary behaviors.

8. You are expected to conduct yourself with utmost professionalism in dealing with your mentor, team members, colleagues, clients, and customers and treat everyone with due respect.
